

AH, SUMMMER!

We are so proud of Legacy Christian Academy's staff and students and how they ended the year strong in the midst of COVID! Teachers kept students engaged from 9-3:30 daily and learning continued to the end of the school year in May. [WELL DONE, LEGACY!](#)

And now we are preparing for the beginning of school at the end of August. Whatever that may look like, we know that God is in control of all things. As He says in His Word: "And we know that in all things **God works for the good of those who love him**, who have been called according to His purpose." Romans 8:28

As you know, we are embarking on a partnership with Korean International Christian School in South Korea. Legacy would like to become an international school, educating students from all over the world. Unfortunately, the move to Belleville that was expected to happen this summer as part of that partnership has been put on hold because of COVID and its aftermath. Therefore, at this moment, our plans are to start school in the building in Caseyville.

Therefore, we are asking you to pray with us that:

1. **Teachers and staff** are well rested after having the summer to rest and relax after a very successful but very trying school year.
2. Legacy will grow in **attendance** so that we can continue to "**Educate for Eternity Through Truth and Excellence**" as many students as we can possibly can.
3. **COVID** is dealt with, one way or another, and life can get back to a normalcy where we aren't guessing about what changes will happen next week.
4. **Finances!**
5. **The move!**
6. The **Caseyville property** sells.

LEGACY NEEDS YOU -TO DONATE!

If ever you were to give to Legacy, now is the time!

OUR IMMEDIATE NEEDS:
